SENIOR SANITARY WARE

M/s. Senior Products was envisaged and established in the year 1992 by Shri Natubhai D. Patel. In these eventful two decades of dedicated hard-work and meticulous & well planned management practices the company has emerged as one of the leading manufacturer & marketers of largest range of P.V.C. Sanitary Products. The company markets its prime products in the popular brand name of 'SENIOR'.

SENIOR is one of the leading brand which has been very well accepted. We provide top-of-the-line products that are most reliable. We are at the forefront of the pioneering endeavour to bring international standards to this specialised product line, with excellent opportunities for product enhancement and all round growth.

The company is now poised at an important milestone. After establishing a glorious past, the company is in the process of setting new revised goals and targets for the modern scenario of the 21st century.
